Book 2, *Into the Quiet*

The gods aren't done tormenting poor Cupid, and this time, the stakes are higher than ever. When Aphrodite inflames her son's heart for Ruthie – a sweet, vulnerable, *married* Worthy – Cupid's divine duty sets him on a crash course with the matrimonial laws of mortals. But his problems don't end there.

Seeking relief from his crushing loneliness, Cupid unwittingly damages his relationship with Pan, his best friend and lifeline. Meanwhile, high above the mortal realm, Aphrodite bargains away her own son's freedom in a brazen scheme to impress her fiery lover.

Can Q survive his tortured heart and save them all before it's too late?
